Helwig Recreation Center/Carlson Locker Room

Finished in the fall of 2006, the Helwig Recreation Center is a state-of-the-art fitness and athletic facility. It houses two hardwood courts, thirty-five yards of synthetic grass surface, a 200-meter indoor running track, batting cages, a 5,000 square-foot weight facility, a two-level fitness area, four classrooms, thirteen offices, and a fully equipped athletic training area. The Men’s Soccer locker room, which was remodeled in 2010, offers more locker space and a team meeting area for game breakdown.

Holmgren Athletic Complex

Completed in 2004, this complex is among North Park’s most functional and heavily used facilities. The complex is home to the men’s soccer team and is designed for both practice and play for recreational and intercollegiate use. The field features a state-of-the-art, injury-reducing artificial turf system, new bleachers, and a press box. Field lighting enables the complex to be used into the evening hours, providing more flexibility in programming.
Academic Excellence

Student Athletes at North Park

Our philosophy clearly identifies and develops high caliber students. We foster an atmosphere of academic excellence that allows our students the chance to pursue a multitude of options after graduation.

For the sixth consecutive time in the last seven years, the Men’s Soccer team was honored with the National Soccer Coaches Association of America “Team Academic Award” for achieving an overall grade point average of 3.2 in the 2011-2012 academic year.

Our Mission

The mission of North Park, as an intentionally Christian university of the Evangelical Covenant Church, is to prepare students for lives of significance and service through liberal arts, professional, and theological education.

Our vision, building on our core institutional identity — Christian, urban, multicultural — is to fashion a university of uncommon character and enduring excellence where faith and learning meet.

Leadership through Service

Through both campus and private organizations, on the local and national level, our student athletes recognize the need to give back to their community and constituencies.

Members of the Vikings’ athletic department and the Student Athlete Advisory Council sponsor “Viking Kids Day”, hosting underprivileged local youth at our home athletic events, as well as providing tutoring and mentorship.

The Student Athlete Advisory Council and the CHAMPS/Lifeskills program nominate Viking athletes for the NCAA National Leadership Conference.

The Men’s soccer team has also taken part in numerous service projects over the years. The team has volunteered their time and resources at the Greater Chicago Food Depository, Swedish Covenant Hospital, North Park Christmas Toy Drive, Shoes For Africa and just this past spring they volunteered their time at North Park’s first-ever Special Olympics.
A History of Success
Our men’s basketball team has gained national attention by being crowned NCAA Division III national champions five times. Only four other NCAA basketball programs in any division have matched that level of success.

Our baseball program has won six CCIW titles and competed in six NCAA National Tournaments. They also have several players holding positions in the NCAA record books for career and single season statistical accomplishments.

Men’s soccer, football, basketball, and baseball have had over 50 players sign professional contracts after their Viking careers. Most recently, men’s soccer player Isaac Lee signed and played in the Korean professional league, and baseball player Mike Giovenco, signed with the Kansas City Royals’ minor league system.

A Bright Future
Our present accomplishments are just as considerable. Today, we continue to garner national attention in a number of sports, and we are poised to continue the winning Viking tradition.

Our men’s soccer team won CCIW titles in 2004, 2005, 2006, and 2010, competed in the NCAA National Tournament in 2005, 2006, 2010 and 2011, and have been nationally ranked 2005-2011. The team has won over 10 games the past nine years in a row. They have had 57 All-CCIW players since 1999, 27 All-Region selections and seven All-Americans.
By Kevin Shepke

As is the case with every edition of the North Park men’s soccer team under head coach, John Born, the team is aiming for a College Conference of Illinois and Wisconsin championship and a spot in the NCAA Division III National Tournament.

But things are a little different this year, for the first time in four years, two-time All-American and four-time All-CCIW First Team selection, Kristoffer Grahn, is no longer donning the Viking uniform. Instead, he’s helping lead the Vikings with Born on the sideline as the team’s graduate assistant coach.

So how will North Park be able to fill the void left by Grahn?

“Kris is someone you can’t replace, but the other seniors we have are tremendous talents and great leaders,” Born said. “Expect this year to be more of a collective team effort rather than one (go-to player) that everyone is following. Last year’s injury to Filip Lindmark was a detriment and he was barely on the field for five matches, never at 100 percent. He is healthy and ready to go. We expect him to not only flourish but to lead the team.”

In addition to Lindmark returning to the starting lineup, Born expects the depth of the team to be its biggest strength.

“Being able to play 15-20 guys a game and having competition for spots is something that will carry us,” he said. “Hopefully we stay healthy and injury free. Last year was dicey and we were fighting it all year. But I look forward to having so many players on the field.”

A total of eight seniors, including Lindmark, Tim Ahlberg, Karol Ferdyn, Tomislav Medved, Oskar Joelsson, Otto Rodriguez, Max Rosen, and Oscar Svensson, return to a squad that finished with an 11-4-3 record, and a second place finish in the CCIW.

The Vikings were defeated by Carthage College in the CCIW championship game by a close 3-2 edge in overtime. However they were rewarded for their stellar regular season and received an at large bid to the NCAA national tournament. They lost the first game of the NCAA tournament to Luther College.

“We have a very demanding schedule and probably the hardest ever,” Born said. “But our schedule will be the reason for our success or our downfall. The difficulties of last year’s season were so many new players and not the best team chemistry. Improving on that has been our focal point all off-season.”

After opening the season with 2011 NCAA Tournament qualifiers Dominican University, Carroll University, St. Olaf College and UW-Whitewater, the Vikings open the conference slate by hosting CCIW rival Wheaton College.

“There is no easy team in the conference anymore and that was evident by North Central beating us last year, who was not a top four team,” Born said. “The target is now on Carthage for their fantastic season. Wheaton, Elmhurst, and Illinois Wesleyan -- everybody is strong.”

Along with depth, Born believes that a combination of defense, possession and goal scoring will be key to the team’s success.

“We will do everything better and rely less on one or two players,” he said. “The off season focus of team bonding, team chemistry, leadership will play a huge role into our success. Nobody was content with last year’s season. When you can go 11-4-3 and make it to the NCAA tournament and feel that the season was a failure, it is in many ways a good thing.”
John Born, Head Coach
Viking Soccer Head Coach John Born enters his 14th year at North Park. Prior to coaching the Vikings, Born served four years as the Head Men’s Coach at Milwaukee School of Engineering. Born took over a North Park team that before his arrival had won only one game in 1998. Under his direction, the program has had 13 consecutive winning seasons, captured four CCIW titles, achieved regional rankings from 2001-2011 and was ranked nationally 2005-2011. He has coached 57 All-CCIW players, 27 All-Region selections and seven All-Americans. His players have also had the distinct honor of being selected “North Park Athlete of the Year” seven times under his tenure.

Off the field, his teams have had great success in the classroom as well. For six of the past seven years, the National Soccer Coaches Association has recognized and honored North Park with the “Team Academic Award,” given to athletic teams that have a cumulative grade point average over 3.0.

The Vikings’ five game improvement, in Born’s first year at North Park, represented the sixth biggest leap of any Division III soccer program in the nation. In 2001, the Vikings came within a game of capturing their first-ever CCIW title. In 2002, the North Park men went undefeated in a preseason trip to Sweden, where they faced top Swedish clubs. In 2004, the Vikings exploded to the top and finally won their first championship, ending Wheaton College’s string of nine straight CCIW titles.

Born’s overall coaching record entering the 2012 season is 165-111-29, his North Park record is 136-75-22. He has been named Coach of the Year in the CCIW (2004, 2005 and 2010) and the Lake Michigan Conference (1996).

At Milwaukee School of Engineering, Born showed his ability to lift a program from the depths. Born started at MSOE with a team that finished 1-12-1 in his first season, and steadily built the program. Displaying marked improvement over a four year stretch, Born’s 1998 team posted a 13-5-2 record in his final season at MSOE.

Prior to becoming a head coach, Born earned a Bachelor’s degree from Concordia University of Wisconsin and a Master of Science degree from the University of Richmond. While playing on a nationally ranked NAIA team at Concordia, Born was honored as a team captain, team MVP, All-Lake Michigan Conference, NSCAA All-Midwest Region, and an NSCAA All-American Scholar Athlete.

In addition to his college coaching experience, Born has coached at the club and high school level and continues to work various summer camps throughout the country. Outside of coaching he has many other responsibilities within the athletic department, as he is also an Associate Athletic Director at North Park and an adjunct professor in the Exercise and Sport Department. He has served on the NCAA Soccer Selection Committee from 2007-2009 and was selected as a facilitator for the NCAA National Leadership Conference in 2002, 2005, 2006 and 2009. He and his wife, Jennifer, reside in Chicago.
