Helwig Recreation Center/Carlson Locker Room

Finished in the fall of 2006, the Helwig Recreation Center is a state-of-the-art fitness and athletic facility. It houses two hardwood courts, thirty-five yards of synthetic grass surface, a 200-meter indoor running track, batting cages, a 5,000 square-foot weight facility, a two-level fitness area, four classrooms, thirteen offices, and a fully equipped athletic training area. The Men's Soccer locker room, which was remodeled in 2010, offers more locker space and a team meeting area for game breakdown.

Holmgren Athletic Complex

Completed in 2004, this complex is among North Park’s most functional and heavily used facilities. The complex is home to the men’s soccer team and is designed for both practice and play for recreational and intercollegiate use. The field features a state-of-the-art, injury-reducing artificial turf system, new bleachers, and a press box. Field lighting enables the complex to be used into the evening hours, providing more flexibility in programming.
Academic Excellence

Student Athletes at North Park

Our philosophy clearly identifies and develops high caliber students. We foster an atmosphere of academic excellence that allows our students the chance to pursue a multitude of options after graduation.

For the fourth consecutive time in the last five years, the Men’s Soccer team was honored with the National Soccer Coaches Association of America “Team Academic Award” for achieving an overall grade point average of 3.2 in the 2009-2010 academic year.

Our Mission

The mission of North Park, as an intentionally Christian university of the Evangelical Covenant Church, is to prepare students for lives of significance and service through liberal arts, professional, and theological education.

Our vision, building on our core institutional identity — Christian, urban, multicultural — is to fashion a university of uncommon character and enduring excellence where faith and learning meet.

Leadership through Service

Through both campus and private organizations, on the local and national level, our student athletes recognize the need to give back to their community and constituencies.

Members of the Vikings’ athletic department and the Student Athlete Advisory Council sponsor “Viking Kids Day”, hosting underprivileged local youth at our home athletic events, as well as providing tutoring and mentorship.

The Student Athlete Advisory Council and the CHAMPS/Lifeskills program nominate Viking athletes for the NCAA National Leadership Conference.

The Men’s soccer team has also taken part in numerous service projects over the years. The team has volunteered their time and resources at the Greater Chicago Food Depository, Swedish Covenant Hospital, North Park Christmas Toy Drive, Shoes For Africa and many other events and organizations.
A History of Success

Our men’s basketball team has gained national attention by being crowned NCAA Division III national champions five times. Only four other NCAA basketball programs in any division have matched that level of success.

Our baseball program has won four CCIW titles and competed in five NCAA National Tournaments. They also have several players holding positions in the NCAA record books for career and single season statistical accomplishments.

Men’s soccer, football, basketball, and baseball have had over 50 players sign professional contracts after their Viking careers. Most recently, men’s soccer player Isaac Lee signed and played in the Korean professional league, and baseball player Mike Giovenco, signed with the Kansas City Royals’ minor league system.

Our women’s rowing team has earned gold, silver and bronze medals in their first three years of competition at the prestigious Dad Vail Regatta.

A Bright Future

Our present accomplishments are just as considerable. Today, we continue to garner national attention in a number of sports, and we are poised to continue the winning Viking tradition.

Our men’s soccer team won CCIW titles in 2004, 2005, and 2006, competed in the NCAA National Tournament in 2005 and 2006, and have been nationally ranked in 2005, 2006, 2007, 2008 and 2009. The team has won over 10 games the past seven years in a row. They have had 46 All-CCIW players since 1999, 23 All-Region selections and five All-Americans.
Tradition is key when it comes to success in sports. Whether it’s building a program from scratch or rebuilding a team’s storied past, tradition is what predicts the future.

That is the case for the North Park men’s soccer team. Having won three of the last six championships in the College Conference of Illinois and Wisconsin, North Park and head coach John Born, who enters his 12th season at the helm, continues to build a tradition that will further the ultimate outcome of the team’s success.

With its largest squad size in Born’s tenure, the Vikings will have the opportunity to develop their young players at the reserve level, while taking on some of the toughest competition the NCAA has to offer in Division III, all to prepare them for another run at the conference championship and the ever important berth in the national tournament.

North Park’s key in the 2010 season will be its experience. The Vikings return a host of solid players, led by junior Kris Grahn. Grahn, a native of Tibro, Sweden, earned his second straight All-CCIW First Team nod a year ago by leading the conference in nearly every category including points per game (1.75), goals per game (0.62), assists (8), and was second in goals scored (10) and game-winning goals (4). He was named CCIW Player of the Week twice and earned CoSIDA Academic All-District honors, becoming the second North Park men’s soccer player in the last two years to be named to the All-District team.

Academic All-District honors, becoming the second North Park men’s soccer player in the last two years to be named to the All-District team.

While most of the offense will run through Grahn, Born and his coaching staff won’t be afraid to mix things up with their other returners. Senior James Kriticos, who also earned a First Team All-CCIW selection, after a successful playing career in Oakton Community College, will look to bring firepower to the attack as well. Kriticos had a tremendous first season with Vikings as he scored four goals. The Lincolnwood native started all 18 games and had one assist and nine points.

The Vikings will look to seniors Greg Domanico, a native of Mundelein, and Kyle Connelly as well. As a junior, Domanico started all 18 games and scored two goals. He also had three assists and three shots on goal. Connelly meanwhile, was instrumental in the defensive midfield confusing teams’ offensive schemes on a regular basis. The native of Olathe, Kansas and graduate of St. Thomas Aquinas started all 18 games.

Due to injuries, senior Joseph Kerley didn’t see as much playing time as both he and Coach Born would have liked, by appearing in only four games. For the Leawood, Kansas native, valuable knowledge and experience will be needed this year at the outside midfield position.

Junior Ryan McNaughton will also play a key role for the Vikings’ defense. His 2009 season was also limited due to injuries, playing only 10 games last year. Coach Born is anxious to get both Kerley and McNaughton back on the field.

In goal, sophomore Tim Ahlberg, a native of Perrysburg, Ohio, will see the bulk of the playing time following a successful first year. Ahlberg stepped in for five games and made 17 saves in 2009. The highlight of his young career was an overtime shut-out of 2009 CCIW Champion, Elmhurst College.

Born believes that although the Vikings have experience, developing the young talent and bringing it to par will be a challenge, but it’s one he is looking to meet head on.

“Even though we may have a good number of first year college players, many of them are older than the traditional freshmen age,” he said. “I am hoping their background and experience will be a strong advantage for us.”

But young or old, Born knows that keeping the tradition moving forward, only one component is truly key.

“If this team can stay healthy and come together, we have a real shot,” he said.
Coach Profiles

John Born, Head Coach

Viking Soccer Head Coach John Born enters his 12th year at North Park. Prior to coaching the Vikings, Born served four years as the Head Men’s Coach at Milwaukee School of Engineering. Born took over a North Park team that before his arrival had won only one game in 1998. Under his direction, the program has had 11 consecutive winning seasons, captured the first, second, and third CCIW titles in school history, achieved regional rankings in 2001-2009 and was ranked nationally in 2005-2009. He has coached 46 All-CCIW players, 23 All-Region selections and five All-Americans. His players have also had the distinct honor of being selected “North Park Athlete of the Year” six times under his tenure.

Off the field, his teams have had great success in the classroom as well. For four of the past five years, the National Soccer Coaches Association has recognized and honored North Park with the “Team Academic Award,” given to athletic teams that have a cumulative grade point average over 3.0.

The Vikings’ five game improvement, in Born’s first year at North Park, represented the sixth biggest leap of any Division III soccer program in the nation. In 2001, the Vikings came within a game of capturing their first-ever CCIW title. In 2002, the North Park men went undefeated in a preseason trip to Sweden, where they faced top Swedish clubs. In 2004, the Vikings exploded to the top and finally won their first championship, ending Wheaton College’s string of nine straight CCIW titles.

Born’s overall coaching record entering the 2010 season is 141-101-19, his North Park record is 112-65-19. Of all the coaches that have coached at North Park, his 112 wins rank third all-time, behind only legendary men’s basketball coaches Dan McCarrell (295 wins) and Bosko Djurkovic (196). Born has been named Coach of the Year in the CCIW (2004 and 2005) and the Lake Michigan Conference (1996).

At Milwaukee School of Engineering, Born showed his ability to lift a program from the depths. Born started at MSOE with a team that finished 1-12-1 in his first season, and steadily built the program. Displaying marked improvement over a four year stretch, Born’s 1998 team posted a 13-5-2 record in his final season at MSOE.

Prior to becoming a head coach, Born earned a Bachelor’s degree from Concordia University of Wisconsin and a Master of Science degree from the University of Richmond. While playing on a nationally ranked NAIA team at Concordia, Born was honored as a team captain, team MVP, All-Lake Michigan Conference, All-Midwest Region, and All-American Scholar Athlete.

In addition to his college coaching experience, Born has coached at the club and high school level and continues to work various summer camps throughout the country. Outside of coaching he has many other responsibilities within the athletic department, as he is also the Associate Athletic Director at North Park and an adjunct professor in the Exercise and Sport Department. He has served on the NCAA Soccer Selection Committee from 2007-2009 and was selected as a facilitator for the NCAA National Leadership Conference in 2002, 2005, 2006 and 2009. He and his wife, Jennifer, reside in Chicago.
Coach Profiles

**Tomasz Bednarek, Assistant Coach**

Bednarek enters his first year as an assistant coach for the Vikings. His primary responsibility is to train the goalkeepers and organize the defense.

As a player, Bednarek served as the team captain for his regional u13, u14, u15 and u16 teams in Poland. He led his team to a second place finish in the Michalowicz Cup, a third place finish in the KucharCup and a national finals appearance in the Deyna Cup. He has been coaching PNA Soccer Academy since 2008. He and his wife, Viola reside in Chicago.

**Matt Meyer, Graduate Assistant**

Meyer returns to North Park for his second season as a graduate assistant after a successful playing career at CCIW rival Augustana College.

At Augustana, Meyer was the team captain in 2007 and 2008 as well as earning 2008 “Player of the Year” honors after leading the Vikings with four goals, and four assists. After an injury sidelined him in the 2005 season, Meyer went on to earn CCIW All-Conference honors in 2006 and played an integral role in helping the Vikings to their 12th consecutive winning season.

As a coach, Meyer has a vast array of experience on the youth level while coaching with the Elite Professional Academy of Arlington Heights. Additionally, Meyer holds a United States Soccer Federation “D” License as well as a National Soccer Coaches Association of America National Diploma.

**Adam Sinovic, Head Reserve Coach**

Sinovic enters his first year as a coach for the Vikings. He will head the reserve program, the first for North Park men’s soccer in its history.

Sinovic had an illustrious playing career at North Park from 2002-2006, where, in addition to being a four-year letter winner, he earned two First Team All-CCIW selections and one Second Team honor. Sinovic was a three-time CCIW champion and was third on the team in assists in 2005. In 2006, Sinovic was named team MVP and was selected to the National Soccer Coaches Association of American All-Region team. Sinovic was a member of the first team in school history to reach the NCAA national tournament, an achievement reached in both 2005 and 2006, and was a captain in both campaigns.

Sinovic is a graduate of Rockhurst High School in Kansas City, Missouri. He comes from a family of five and has one brother and sister. Sinovic’s brother, Seth, who played soccer at Creighton University, is a rookie defender for the New England Revolution in the MLS.

North Park Men’s Soccer in Pictures...
Alumnus of the Year: Tim McNaughton

If you have ever attended a North Park Soccer Alumni game, there is always one constant – Tim McNaughton.

Tim (Class of 1982) is clearly one of the founding fathers of the North Park soccer program and has been an avid fan and supporter to this day. His background with the team began in 1978 when he was a player on North Park’s club soccer team.

Tim and fellow teammates such as hall of famer, Karl Petersson, petitioned to turn the team into a varsity sport. Stories of garbage can goals in the park, games at Joliet Correctional Center and victories at Notre Dame are only a portion of the lore of the early days of North Park soccer. And at the center of it all was Tim McNaughton.

Tim played on the club teams at NPU from 1978-1980. He was also a member of the 1981 and 1982 varsity teams. He was the soccer club president in ’79 and ’80, varsity team captain in ’81 and ’82 and Assistant Coach in 1983.

He is married to Darlene (Johnson) McNaughton class of 1982. They have three children, Ryan (class of 2012), Josh (class of 2014) and Sarah (hopeful class of 2016). Tim is a National Account Manager for Walter Meier and a Member of Hope Covenant Church.

Tim has stayed active within the game of soccer, coaching all three of his children. He quickly saw a need for more competitive soccer in their area and started the McHenry Vipers Soccer Club. He served the Vipers for many years as a coach and as the Club’s Director.

“Without Tim McNaughton, there would not be a North Park Soccer Program. He has continually given back to the program as well as the University. He is a great example of what our younger players should look up to and strive to be. And lastly, he is one great story teller!” said Coach Born.
